

Story for English

‘Mum look I saw this when I woke up this morning’ out of Charles’s behind was a big curly pink tail.

‘Oh my word look at it and your nose, it’s a snout!’ Charles ran to the mirror in the hallway and his mum was right there where his nose used to be was a big pink snuffling snout. He went to touch it and that’s when he spotted that his hands were changing into hard dirty brown hooves.

‘My belly is fat’

‘Yes it usually is when you eat too much’

‘No as in I just got fatter by the second’
