Toads bad behaviour

He's been very very bad
and naughty so he
should be locked up

How his bad act has got him into!

Today Toad was sent prison for 20 years! For using a motor car when he was not supposed to. Now he's in prison for twenty years so he is locked up with no comfort at all. All chained up no fun just lonely. All he eats is bread ('pan' if your Spanish)

O UNHAPPY AND FORSAKEN TOAD
