

VILLANIOUS TOAD ESCAPES JAIL!

Toad of Toad Hall has escaped from prison disguised as a washer womans.

He was put in prison for stealing a motor car earlier this month and took the washer womans clothes during the escape and put them on on his way to the train station.

He got on the train and asked the train driver to tell nothing of this day and in return he washed the drivers clothes!

As he got of the train he could hear the sound of sirens so he hid behind the tree laying in the middle of the grass.

Eva found him behind the tree and this is what she said in her statement to the police.

“ I found him under the tree and asked him what he was doing here he said he was

Escaping from prison at first

But then he corrected himself and

said “ I was just getting a new job as a washerwoman.”

So far there has been no trace of Toad and the police are still looking.
