

Wanted: Washer Woman

Job Description:

This is the routine of the job: dunk into the soapy water, scrub the clothes with the sponge, leave to dry outside of the barge, fold and put away neatly in the clothes cupboard.

Requirements:

Tools will be provided on the barge (tub of water, soap, cloth, sponge.) One load each hour will be required, meaning you will be doing two loads each day. Three days a week is how long I would like you to do. Come back at the end of each week for your payment. Your skills must be: strength, paying attention, concentrating. Your qualities must be: hard working, alert.

Benefits:

Your payment shall be £10 each week. If you complete your job on time and very well then you shall receive a ride home in my barge.
