

Rode Heath Primary School

"Inspiring learning; nurturing minds; achieving for life."

February 2024

Curiosity

Teamwork

Fairness

Resilience

Dear Parents/Carers,

Happy February everyone! Please see the information below that is pertinent to your child/ren.

Achievements and Celebrations

Year 2s Dodgeball Festival at Monks Coppenhall School. What great fun they had!

Dodgeball Festival

Well done to our Year 2 children who took part in a recent Dodgeball festival. They had a great time and displayed fantastic teamwork. We have a few more festivals this year so we will keep you posted!

Sports Hall Athletics

Well done to everyone who took part in the Sports Hall Athletics. Mr Randall said he was blown away with how well you all competed and well done for finishing second overall! The girl's team finished 1st and the boy's team finished 2nd; overall 2nd place!

A fabulous performance from our Sportshall Athletics Team at Sandbach High School. Girls 1st and Boys 2nd; Overall 2nd Place. Well done everyone, what a great team!

Parent Carer Survey Responses

Thank you to the parents and carers who took the time to respond to the annual school survey before Christmas. The Senior Leadership Team and the Governing Board spend time to analyse all of the data. We are continually reviewing our provision and making changes to improve our school even further.

Class Web Pages

Please refer to your class's web page on our school website for all of the pertinent information that you will need for this half term. This will include PE days, their weekly learning journeys, academic expectations, Renaissance reading links, etc. Here is a link to our school website: [Rode Heath Primary: Welcome to our school...](#)

Residential Visits

Residential visit letters for Years 2, 3, 4 and 6 have all been sent out via email. All children are required to pay the non – refundable deposit of £25 and the remaining balance for all trips needs to be paid two weeks prior to the trip (with the exception of Year 5)

Please note: The provisional cost of all trips is worked out on the whole class attending. If a substantial number of children don't attend this can have a major impact upon the viability of the trip. Please note: you can pay amounts off the balance at any time via your scopy account and if your family have difficulty in making the payment please see Mr Frankland at your earliest convenience.

Each class will hold a residential meeting in order for you all to understand more about the trip. If you do have any questions in the meantime, please contact school.

Parent / Carer Consultation

Spring term parent/carers consultation meetings will be held face to face on **Wednesday 13th March** and **Wednesday 20th March**. Booking information will be set out in advance.

Careers

As part of our wider development curriculum, we are looking for adults who would be willing to talk to our children about their chosen careers. If anyone would be willing then we would love to hear from you – just contact the school office.

Kind Regards,

Year 4 have written some wonderful poetry today about nature and magic, inspired by children's poet laureate - Joseph Coelho - the author of our class book 'Our Tower'.

An insight into the Year 6 D & T sewing project - 'bringing to life' the soft toys designed by their Reception buddies. I think they are going to love them. 🧵 🧶

Pictures of Year 5 enjoying playing the glockenspiels today! 🎹

Year 3 finding out about pneumatics!

The Year 2 and 3 children really enjoyed our latest after school club - 'The Try Something New Club'. Last night they played Kickball which is an American sport, similar to that of baseball and football. There are still spaces available <https://sports-coaching-group.classforkids.io/term/545>

Please go to our Facebook page for a further look of what we have been up to in our classrooms:
