Dear Parents/Carers,

I can't quite believe we've reached the end of the academic year—it feels like only moments ago that we were welcoming everyone back in September! There is so much to celebrate. When we take a moment to reflect, it's clear that this has been a truly remarkable year. Our academic achievements continue to set the highest standards, and every child has made fantastic progress. Our sporting teams have enjoyed great success, and our performances and productions have been nothing short of exceptional. But above all, the greatest achievement this year has been the strength of our community—how staff, parents, carers, and pupils work together to make Rode Heath Primary School the very best it can be.

Thank you all for your continued support. I hope you have a wonderful summer break, and I can't wait to get started again in September!

Year 6 SATS Results

My thanks also go to all the children who have worked hard **all year** for their teacher assessment grades and who undertook their challenging national assessment tests in May. Moreover, my thanks also to a dedicated teaching team and to all parents/carers who have supported their child/ren throughout their time in year 6 and at our school.

Thank you!

PTFA

I would like to say a huge thank you to our PTFA for organising and running a really successful Summer Fayre. In total, they managed to raise over £3000! As a committee, they have worked tirelessly on a variety of projects and events in order to raise vital funds for the school.

Leavers

It is that time of year when we say farewell to the year 6 children but we are also losing two families. We wish you all the very best of luck in your next set of adventures.

Have a brilliant summer and we look forward to seeing you all again on Tuesday 2nd September (Monday 1st September is a Teacher Training Day).

Staffing Structure for September 2025

Transition Day was excellent yesterday and all of the children really enjoyed their time in their new surroundings – as did the teachers! Below is a table informing you of the teacher/s and teaching assistants in each year group and to also make you aware of the office staff and the site maintenance team, too. Throughout the year, the teaching assistants may move to different classes but these decisions are made based on the best interests of the children.
