PRE-SCHOOL

Inspiring learning; nurturing minds; achieving for life

Dear Parents/Carers,

As part of the school's online safeguarding education, we are working with a company called eAWARE. In school, we take part in the lessons each half-term to ensure your child is equipped to safely use technology and the internet.

We have been given a number of free licences to use the eAWARE Family Programme, which is designed to support the work we are doing here in school. The programme includes short learning videos which can be watched on a smartphone, tablet or laptop. A notification comes through on the software or the app when a new video or information is sent out about a current topic.

Your unique code to access the programme is: **RODE001**

All you have to do is install the eAWARE App from the appropriate store, or go to: <https://families.eaware.co.uk/sfc>, create an account by registering your information and enter the code.

There is also a YouTube channel you can access: https://www.youtube.com/channel/UCNm1OR_UAcYUwj2DWhdsg9A

We hope you find this free programme useful.

Kind regards,

Mr Scott
